GODREJ DEFENDER AURUM SAFES

Modern day security threats:

Security threats are always rising. Technology up-gradation, easy access to tools and technical knowledge available to burglars create a need to maintain upgraded security. This trend is evident in recent burglaries involving sophisticated tools like Oxy Acetylene Torch and power drill. To combat the ever-increasing security threats, a reliable safe is needed that can withstand even the most intense form of modern day attacks.

Breaking the myths:

- The weight of a safe does not define its strength
- A safe completely made of metal may not be strong
- Resistance of every safe is limited up to its defined capacity

Why Godrej?

- Largest such manufacturing facility in India for security equipment. One of its kind highly automated manufacturing facility for safes across the world.
- Oldest safe manufacturer, with a legacy of 115 years
- Trusted brand with years of patronage in securing wealth of India and ensuring peace of mind
- State-of-the-art offerings, designed to withstand ever evolving modern day attacks
- Pan India presence with wide range of dealers and extensive service network

GODREJ OFFERS THE FOLLOWING CLASSES OF SAFES:
